AWARDS**

ACEC/Michigan Member Firms and Guests,

Please join me at the 2012 Engineering and Surveying Excellence Awards, Saturday, February 25, 2012 at the Air Zoo in Kalamazoo.

The Engineering and Surveying Excellence awards event is our chance to come together to celebrate our industry and our accomplishments. We'll recognize excellent projects, honor industry leaders, chat with colleagues and let our clients know how much we appreciate them. During this special time ACEC members, families, clients and guests will see firsthand the impact that engineering and surveying has on all our lives.

The Air Zoo, this year's venue, promises to lift your spirits, expand your awareness and bring the flight experience to life. Excitement, adventure, entertainment and discovery await you! Come early for special guided tours of the Air Zoo's newly expanded wings, housing several special exhibits: WWII Aircraft, Space: Dare to Dream, and Women in Aviation and Space.

During the evening, please visit our silent auction tables to support ACEC/Michigan's Scholarship Program. You can bid on items all evening long, until approximately 10:15 pm.

I encourage you to invite clients and friends to this special event and I look forward to seeing you on Saturday, February 25.

Sincerely,

Kirk A. Branson Sr., PE
ACEC/Michigan President
