Re: Annual Conference Sponsorship Opportunities

Date: February 10, 2010

On Wednesday, May 5, 2010, the American Council of Engineering Companies of Michigan will be holding its 2010 Annual Conference at the Lansing Hotel & Conference Center. Decision makers from all of the State's leading engineering firms as well as representatives of various State Departments and members of related engineering organizations will be in attendance.

Our goal this year is to have 150+ participants and we have planned an exciting and educational program including breakout sessions that offer PDH's (Professional Development Hours), a National ACEC speaker, futurist, gubernatorial candidate panel and plenty of networking. There will be several events your company can sponsor to offer optimum exposure:

These sponsorships help offset conference expenses such as meeting space, food, and speaker fees along with offering an excellent avenue to promote your company's name. Fill out the attached form and return it to this office by **April 16, 2010**. Please consider a sponsorship for this popular - and growing - event!
