ACEC OF MICHIGAN ELECTS NEW PRESIDENT AND BOARD OF DIRECTORS

Lansing, Michigan – The American Council of Engineering Companies of Michigan (ACEC/M) has announced Michael Cooper, PE, of Harley Ellis Devereaux (Southfield) as its 2016-2017 President.

Mike Cooper is President and Managing Principal of Harley Ellis Devereaux, a national architecture, engineering, planning and management firm. Mike has been involved in complex building projects for more than 25 years in both a design and management capacity. In his role, he is responsible for all aspects of business operations for the firm's Detroit office, and for strategic planning for the firm on a national level. Mike is a member of several business and technical organizations, helping to set guidelines for improved business practices and high performance building design. He is a licensed professional engineer in 19 states, and is a frequent author and speaker on progressive design and management.
