ACEC/M ELECTS NEW PRESIDENT AND BOARD OF DIRECTORS

Lansing, Michigan – The American Council of Engineering Companies/Michigan (ACEC/M) has announced Jayson Nault, PE, from Tetra Tech as its 2022-2023 President.

Jayson has been a Vice President of Tetra Tech of Michigan since 1999 and has worked for the firm over 30 years. Tetra Tech is a worldwide organization with Michigan offices in Ann Arbor, Brighton, Detroit, East Lansing, Farmington Hills, Madison Heights, and Portage. He graduated with a Bachelor of Science degree from Michigan State University in civil engineering and became a licensed engineer in 1991. He is licensed in Michigan, Ohio, Florida, Missouri, and Kentucky.

In addition to becoming president of ACEC/M, Jayson has served in several other ACEC roles including as the chair of the Transportation and Projects Committees and currently serves on the Contracts Committee. He has been the project manager on several high-profile transportation projects including work on major freeways and arterials. In 2020, he led the team that received the ACEC/MDOT Partnership Award and was the consultant project manager for the I-696 project in Macomb County that won the ACEC/M Eminent Conceptor Award.

Jayson resides in Brighton with his wonderful wife Kris and has three grown daughters.

ACEC/M is the association representing the business interests of Michigan engineering, surveying, architectural and related scientific firms who provide professional knowledge to the built environment and strive to protect the health and safety of the public. ACEC/M is part of the American Council of Engineering Companies. Headquartered in Washington DC and representing thousands of companies, ACEC is the voice of the engineering industry throughout the nation. With roots dating back more than 100 years, ACEC is a federation of 52 state and regional councils representing more than 600,000 engineers, architects, land surveyors and other specialists. ACEC's primary mission is to strengthen the business environment for member firms through government advocacy, political action and business education. For more information, visit the ACEC/M website at www.acecmi.org or contact ACEC/M at 517.332.2066.
