**ACEC/Michigan Presents “FIRM OF THE YEAR”  
Honor to Abonmarche Consultants, Inc.**

PRESS RELEASE

**Lansing, MI** – The American Council of Engineering Companies of Michigan (ACEC/M) recently presented the 2021 member “*FIRM OF THE YEAR*” award to Abonmarche Consultants, Inc. (Abonmarche) at the Engineering & Surveying Excellence Awards Gala held virtually on February 26, 2021. This is the highest ACEC/M honor bestowed and the only award program instituted to recognize ACEC/M member firms for their leadership in professional practice and community service. Recognition is based on actions taken by a member firm to progressively develop its management practices and for assuming leadership roles in community outreach activities and ACEC/M programs that strengthen the profession for all members.

Abonmarche’s tradition of service dates back to 1979, when the company was first founded in Southwest Michigan. Now, with more than 40 years of experience and 9 offices in Michigan and Indiana, Abonmarche has become a premier provider of a wide array of professional services, providing superior customer value and improving communities for a variety of private and public sector clients.

Christopher Cook, PE, President of Abonmarche, has significantly contributed to the continued success of ACEC/M by serving on the Board of Directors, participating on several committees, and functioning as a liaison between ACEC/M and other organizations. Abonmarche is a consistent sponsor of ACEC/M events and regularly contributes to the ACEC National and State PACs. Abonmarche employees are encouraged to be actively involved in community programs. Employees are given the opportunity to receive four hours of paid time off to volunteer.

Abonmarche stands out as a company that has a reputation of trust, passion, reliability, and quality. They focus on improving communities - bringing expert technical and creative staff while offering exceptional value. **ACEC/Michigan Firm of the Year**  
**March 1, 2021**

*The American Council of Engineering Companies of Michigan is the voice of Michigan's engineering industry. Council members – numbering over 100 firms throughout the state – are engaged in a wide range of engineering/architectural/surveying works that propel the state's economy and enhance and safeguard Michigan's quality of life. These works allow people to drink clean water, enjoy a healthy life, take advantage of new technologies, and travel safely and efficiently. The Council's mission is to contribute to Michigan's prosperity and welfare by advancing the business interests of member firms.*
