

WHY JOIN ACEC/MICHIGAN?

“ACEC/Michigan is committed to providing a competitive advantage to its member firms in the marketplace.”

- Ron Brenke,
PE | Executive Director

American Council of Engineering Companies (ACEC) is an association of consulting engineering firms representing every discipline of engineering related to the built environment:

- Civil
- Structural
- Environmental
- Mechanical
- Electrical
- Geotechnical
- Surveyors
- Architects

Members include a diverse group of companies from across the State of Michigan ranging from **sole proprietors** to **multi-national firms** that employ over 5,500 Michiganders. Our shared goals are to further the business interests of our membership.

VISION

ACEC/Michigan membership will be considered essential by elite engineering firms of any size serving the natural and built environment.

MEMBER BENEFITS

Membership is an investment in your business, profession and career. Membership in ACEC has a great return on your investment. Here are just a few of the key benefits of membership:

- Networking with members and client agencies
- Strategic partnerships with client agencies
- Promotion of your business and the consulting engineering industry
- Political and government advocacy
- Access to current industry and business information
- Executive and employee training programs
- Approved continuing education programs
- Awards and scholarship programs
- ACEC National Membership
- ACEC Business Insurance Trust
- ACEC Life/Health Insurance Trust
- ACEC Retirement Trust
- ACEC publications

“ The ACEC/Michigan Emerging Leaders Program provided me with skills critical to success in the business of consulting engineering. I can apply those skills to topics like legislative affairs, business operations, strategic planning, and risk management in my career almost daily. ”

- Timothy Juidici, PE, Emerging Leaders Program Graduate

EVENTS AND SEMINARS

ACEC/Michigan offers a variety of events that benefit members by sharing information, providing technical training, promoting the industry of consulting engineering and creating valuable networking opportunities.

Visit our events calendar online for details.

COMMITTEES

Engaging in ACEC/Michigan committees provides a unique opportunity to work alongside ACEC members and government agency personnel to address important industry matters.

- Business Practices
- Engineering and Surveying Excellence Awards
- Marketing
- Joint MDOT/ACEC Committees
- Vertical Construction Committee

LEGISLATIVE

ACEC/Michigan develops a legislative agenda each year to address the issues affecting engineering companies. Our government relations program focuses on advancing issues that improve the business environment for Michigan engineering firms.

- Infrastructure investment
- Qualifications-Based Selection (QBS)
- Liability Reforms
